TE KOTAHI A TĀMAKI - MARAE COLLECTIVE

## KIA ORA

Welcome to Ātea, our bimonthly pānui focused on bringing all the different kōrero together and share in the strengths, wins and challenges we are leaning into as a collective.

Our kōmiti alongside our kaimahi have been working very hard to ensure our infrastructure is robust, to enable a strong foundation to support our Marae. Some of that work has involved

- Setting up Xero financial accounting system
- Setting up Policies and Procedures
- Completing our Annual Financial Reports and sourcing an auditor
- Sourcing funding and kaimahi to support with operation

At the Collective level, we have been working hard to develop

- Continual funding to support Marae with food parcels and kai for whānau in need

## MARAE COLLECTIVE HUI

With the success of our May 2022 Marae Collective Hui, we are pleased to confirm that we are all go again!

We will be back online, making it easier for everyone to connect. We have four great presentations covering the 3 Waters kaupapa, Māori Outcomes and Infrastructure Costs relating to Marae.

To make the most of our time together, we will also be gathering insights into the current issues marae are facing and how we might tautoko these areas.

Keep an eye on facebook and your emails for further details or contact Karepe directly [karepe.mcdonald@tekotahiatamaki.nz](mailto:karepe.mcdonald@tekotahiatamaki.nz)

## ON THE ROAD

With the appointment of the new team, Kairuruku, Karepe McDonald took to the road meeting with marae as part of the Hononga Engagement Programme. It was a great time to get out in the Collective, to whakawhanaungatanga and understand what is happening for each marae, meet ngā ringawera me ngā whānau and follow up kanohi ki te kanohi on what was needed from Te Kotahi a Tāmaki.

Karepe will be headed back out again to marae to catch up and have a kapu tī and kōrero in early November. If you want to have a paku catch up, email [enquiries@tekotahiatamaki.nz](mailto:enquiries@tekotahiatamaki.nz).

## TE ARA AKO

Part of our kaupapa is to provide training to grow the capacity and capability of the collective. Our new programme *Te Ara Ako* is intended to do just that. We have had several insights into the training areas that marae would like, from OSH, social media, financial training, governance, mātauranga māori wānanga kaupapa and, of course, Tūāpapa ā-Marae.

We have a power-packed six months in front of us, but to guide our programme, we have sent out a survey to determine your training priorities. Kaua e wareware, don't forget to fill this out and then keep an eye out for the remaining dates.

Over the next couple of weeks, we will be rolling out the Tūāpapa ā-Marae training, where we will cover how to

- update your marae profile
- access, download & share templates
- use the comms platform to korero with each other
- recommend a tradie or business

Watch out for the updates in your email and on the Facebook page.

## ATEA SUBMISSIONS

Got a new kaimahi, have an awesome whānau story to share, launching a new programme, got a cool event, or an amazing wānanga or insights to share from a marae perspective then email [mihi.tibble@tekotahiatamaki.nz](mailto:mihi.tibble@tekotahiatamaki.nz) and we will make sure to include in our next pānui.
